Where has the time gone? Two months down already and riding season is right around the corner. Each month we will be giving away special prizes to commemorate Old Glory’s 10th Anniversary. Eric Zemke was the lucky winner at our February meeting. Will you be the March winner? Make sure you come out to our next chapter meeting which will be held at The Tabernacle Church, down the street from Old Glory.

Points for July – December have been added to your loyalty accounts if you registered at a kiosk at Old Glory. You only need your phone number or email address. This system is good as you get a text message when points are added or redeemed. There are still a few members who have not gotten their points because they have not registered.

If anyone has a good location for the annual crab feast, please let your Assistant Director or myself know. The Red Roost has been the location for this event but we are looking for a new location this year, (a better parking lot and all you can eat crabs).

We are working on putting together some great activities for the chapter this year. Make sure you come out to the planning sessions. It takes all of us to have great activities. Let’s make the Old Glory 10th Anniversary the best ever!! See you on the road. Ride safe.

**Ladies of Harley (LOH) - Amy Spetsios**

I hope everyone had a great time bowling at our February get together. It was great having our sister chapter, All American, join us. They won the trophy but I see a rematch in our future.

Are you a crafty person? Meet us at the dealership on March 25th at 3PM to help construct the upcoming bulletin board at Old Glory. Let’s add some flare at the dealership.

Bring a sweet tooth for the bake sale on April 22nd in conjunction with Old Glory’s open house. The LOH volunteers have offered to bring some goodies. Let us know what your specialty is and drop on by with some baked goods then stay for the open house as well. Let us know what your specialty is and if you can sit at the table with us for a bit. We always have a good time. All proceeds go to our adopted platoon. Just look for the sign-up sheet.

Don’t forget about your great chance to win a $100 gift card. For every gift card, bottle of cheer, or non-cheer items you donate for the chapter picnic, you will receive a raffle ticket for a $100 Old Glory Gift Card drawing. We will be drawing a lucky winner at the November meeting – just in time to do a little extra Christmas shopping. If you cannot make the meeting don’t worry – we will write your name on the ticket every time you bring us an item. All these donations make a difference so please help out if you can.

LOH is also having a Chapter Auction at our picnic, where funds will go to our adopted platoon. If you can volunteer for services and items to be auctioned off just let us know. Some previous services were Licensed Contractor for the day, Gift Certificates for dinner, Bike Detailing, Yoga Session, Bed and Breakfast Getaway and more. Let us know your ideas and suggestions and sign up at the LOH table at our next chapter meeting.

The next meeting will be on June 11th at 5PM at All American Sports Grille, 15107 Sweitzer Lane, Laurel, MD 20707. Please look for the LOH signup sheets at the next Chapter meeting to see where you can help. It is greatly appreciated!
Welcome to March, hoping it is as mild as the rest of our Winter has been!

**March 9th – 6 PM Bling Party** at Old Glory Harley Davidson. Bring your vest and we will add some bling and sparkle to your HOG Vest. We will use Hot fix Swarovski and other crystals to add a beautiful sparkle to the patches on your vest or t shirt. I will have a collection of crystals you can purchase or you can bring your own. I will also have a few crystal irons to share. You are welcome to bring a bottle of wine or a snack to share. Come join us and have fun!

**March 11th – 7 -10 PM Old Glory Chapter Social.** Join us after the Fashion Show for a social at J. King’s Steak & Seafood Restaurant. Join us after the Fashion Show for a social at J. King’s Steak & Seafood Restaurant. J. Kings has a large menu, with great food. We will have the Maryland Room to get together for an evening of drinks, food and friendship. They are holding their Happy Hour Pricing just for us. They will have their full menu. Hope to see you there. J. King’s is a short ride to 329 Gambrills Rd, Gambrills, Md.

**March 20th – Activities Meeting.** I am busy planning many of our fun event to come. I am looking for people to help with the planning and the primary event, summer picnic, and the winter party, just to name a few. Please join me on March 20th at 6:30 PM at Famous Dave’s 14140 Baltimore Ave, Laurel, Md. to help plan the upcoming activities.

I went up to Pennsylvania to see the ground hog "Phil". Yes, he was right; 6 more weeks of winter is on the calendar but we are going to have riding weather in between. I went to the Farmer’s Almanac and they say yes to many riding days. Come on out and I will see you on the Chapter rides!!

As we all like to ride to Rally’s, I am listing the tentative 2017 Regional HOG Rally schedule. Make sure you check out HOG.com for Rally information.

**Safety—Len Busso**

Now that we are entering the final month of Winter, our thoughts turn to our bikes and riding. Before we start out on our Spring adventures here are a few tips or reminders.

*Don’t buy more bike than you can handle*—test ride the bike to make sure it fits you and how you ride.

*Invest in antilock brakes*—if buying a new bike go the extra mile for anti-lock brakes.

*Hone your skills*—use the shop’s course while there are no classes in session and see what you can do and practice, practice, and practice.

*Use your head*—put your head on a swivel. Also, protect your head and wear a helmet.

*Wear the right gear*—Wear comfortable clothes that protect you from the environment.

*Be defensive*—defensive riders see things before they happen by anticipating the next move.

*Watch for road hazards*—scan ahead looking for hazards, potholes, gravel and so on.

*Be ready to roll*—Before each ride, do a quick walk around to make sure your lights, horn, directional signals are all working properly. Check the chain, belt or shaft as well as the brakes. Inspect the tires for wear and make sure they’re set at the proper pressure.

*Make yourself visible*—Choose riding gear that increases your visibility in traffic in addition to providing protection in the event of a crash.

*Ride so you can be seen*—There is no one safe place to ride. Use lane positioning to be seen.

*Give yourself time to react*—Allow space for emergency braking or to avoid a crash. Make your lane changes gradually.

*Signal your intentions*—Signal before changing lanes or turning. Flash your brake light when slowing down before stopping.

*Be courteous and respect other road users*—Being courteous, non-aggressive and cooperative can go a long way to having a safe ride.

*Go out there, ride and have fun but stay safe.*

February 8 - a mid-winter day, began with early morning temperatures of 55 degrees. Most winter days are not exactly like this one. I knew immediately that the planned Mid-Winter ride was really going to be a mid-spring like ride. As I was getting ready to leave for the ride, I deliberated what to wear. I checked the temperature again and it was close to 70 degrees at 10 in the morning. WOW! This was going to be a stupendous riding day. I chose the light riding gear. I had expectations for a big crowd at the starting point. We had 7 hardy riders at the pre-ride briefing. The briefing was led by Samuel York who is in the process of learning the Road Captain process. I led the ride with Samuel and Dennis Keppley in the rear. We traveled over back roads in Prince Georges, Montgomery and Howard County, including: Ten Oaks Road, Roxbury Road, Union Chapel Road, Daisy Lane, Forsythe Road and River Road among others. The most entertaining road, and one I had never been on before was River Road near Sykesville MD along the Patapsco River. Our ultimate destination was lunch at Mi Casa Restaurant in Ellicott City MD. We arrived at the destination after about an hour and half ride. Surprisingly, there were only 2 customers there. We ordered the typical fare at a Mexican Restaurant. The participants of the ride really enjoyed the meal, and promised the waitress that we would return after another of our rides.

February Chapter Social at Chai’Bai—Wally Wormack and Curt Loftis.
May 27–June 4  
**Hot Springs, AK Shamrock Tour – The Valley of the Vapors.** Rural Arkansas two-lane roads twist and turn through the state’s Ouachita Mountains and also takes riders into the Arkansas River Valley. Virtually any type of street bike is suitable for this tour, which should be within the capability of most riders. Although this trip can be taken in all but the coldest winter months, the best times to tour are in spring and fall. The area around Hot Springs has some of the best motorcycle touring roads that Arkansas has to offer. Hot Springs itself is a popular destination for riders both far and near. The most scenic roads of the tour are State routes 7, 9, 27, 54, and 298, and US 270.

July 1-15  
**Boise, ID Shamrock Tour – Riding the Gem State.** The Gem State has about 1.5 million residents living within 82,747 square miles – or enough territory to fit New Jersey inside it 11 times. With such low population density, most of Idaho is rural or has been designated wilderness and off limits to motorized vehicles. In general, riding here is scenic and pleasant. You’ll often have the road, typically a two-laner, all to yourself. Once out of the city, riders can enjoy routes paralleling rushing white water, including the Payette, Salmon, Snake, and the Lochsa Rivers. Many of the roads are national scenic highways. Those who prefer the pavement find plenty of excitement in the curves leading over the mountain passes. In the north, Idaho 12 along the Lochsa is considered one of the best motorcycling roads in the US.

August 5-21  
**Ride the Rockies.** We will ride highways from OGHD to the north east section of Colorado. Then, we will meander south to at least the 4 corner area. On the way, we will ride: Rockies National Park Highway 34, the Peak to Peak highway, Pike's Peak, Mt. Evans, Royal Gorge, CO 550, and other interesting roads. We will stop by Arches National Park, Canyonlands National Park and Monument Valley in Utah. We will visit many cities including: Estes Park, Blackhawk, Central City, Ouray, Durango, Canon City, Colorado Springs, Moab and many others. The ride is not for the faint of heart or the inexperienced rider. The majority of roads in the mountains are two lanes with many twists and turns crossing over very high passes; in many cases they exceed 14,000 feet. We will return via southern route highways to OGHD.

August 8-19  
**Ashland, WI Shamrock Tour.** Even before Ashland is spotted, you can feel the cool, bracing air wafting from the surface of Lake Superior. Incorporated in 1887, the tow sits on Chequamegon Bay, an ideal locale for outdoor activities. Ashland is a little bit off the beaten path and requires a little extra effort to get there; but once there, your reward is empty roads in a virtually pristine landscape. Packing rain gear and plenty of film or flash cards is recommended. Except for Hwys 2 and 63, where you can hit some rush-hour traffic, the roads are practically empty. The Alphabet Roads are smooth and winding, and sometimes surprising with tight corners. Highway 122 south is rugged.

September 3-9  
**Roanoke, VA Shamrock Tour – Dirty Dancing Through the Curves.** Because it’s conveniently located right off the Blue Ridge Parkway, Roanoke is a welcomed spot to spend the night. If you’re just riding through or spending several days in the area, make sure to visit downtown. The best time to travel here is spring until late fall. Among the finest of locations, the curves and the serene landscape here lure visitors back year after year.

September 9-10  
**Flat Track Motorcycle Racing.** An overnight ride to Mechanicsburg to watch the best Flat Track motorcycle riders ($35.00 admission) in the world battle it out. Come cheer the Harley Davidson riders as they compete with the likes of Indian, Kawasaki and Ducati. Since the Races run well into the evening, we’ll stay overnight at a local hotel and then come back on Sunday. The ride will be over a mix of interstate and state highways.

October 6–9  
**PA Grand Canyon.** Fall Foliage Ride, Penn Wells Lodge, Wellsboro, Pa.  
Often referred to as the Grand Canyon of Pennslyvania and the Pine Creek Gorge, the PA Canyon begins just south of Ansonia, PA and stretches for over 45 miles with depths of nearly 1500 feet. Its dynamic topography creates many scenic wonders, including steep canyon walls and waterfalls. Hopefully we will catch the fall foliage at the peak of their colors. We will take excursions to Mt Jewett in McKean County to walk the Kinzua Skywalk. Those brave enough can take a stroll on the skywalk on the remaining support structure towering 301’ above the river below, and look through a glass floor at the end. Bring a camera.

October 17-20, 2017  
**NASCAR Experience.** We will be given a special VIP tour ($25.00 admission fee) of the Hendrick Motorsports garages and then the private collection building. We are also planning on touring the Motor Speedway (some additional cost) and possibly visit other NASCAR garages. The return trip may include some of the Skyline Drive, which may need an additional night out. More details to come.
